Case 10-RC-231745

Petitioner

ERRATA

On September 3, 2019, I issued in this matter a Decision and Certification of Representative. The decision erroneously states that a request for review must be received by the Board in Washington, DC, by December 17, 2019. The correct date is September 17, 2019.

I also issued with the decision a separate Certification of Representative. The separate Certification of Representative should not have issued and should be disregarded. The certification is in the Decision and Certification of Representative.
